REMEMBER JESUS

"As I take the bread and the cup, let me give thanks for the patience of God in bearing with me and with all men in our failure and sin. Here is new strength, renewed vigor, the elements of Christ's life coming through these symbols into my own weakened life. With the bread, I look back in penitence and thank Him for His forgiveness. With the cup, I liik forward and thank Him for His promise of strength for whatever comes. The future lies in strong Hands, Hands I have reason to trust. He rules and overrules. The outcome even of this world condition will be gathered into His plan.

I take these elements not because I am worthy, but because He calls me to take them in remembrance of Him. If need be, I may well forget myself in that remembrance, forget my weakness and failure, forget my anxieties about loved ones or the outcome of this world strife, forget all this and remember those who love Him. As I rise from the Table, let me set out anew to follow Him wherever He leads."

CONGRATULATION!

We are happy to announce the birth of Tom Noboru Kira, Jr., on Wednesday, January 10, 1945. We join with their many friends in welcoming the young man into the family of Tom and Bette Kira. The father is with the U.S. Army in France.

*****

Our congratulations and best wishes to Richard Sunichiro Okinaga and Janice Fukuko Sato upon their marriage on January 12, 1945. The ceremony was officiated by Dr. S. K. Hata.

DECISIONS

For our life today, we must be encouraged and strengthened. Weak is the nisei who walks alone. The most significant decision is to take Christ as your Saviour and Lord. He becomes our Strength and Guide. We are happy that Jean Murakami, on Jan. 7, and Rose Koyama, on Jan. 14, made a public decision at our church services. Our prayer is that many more will open the door of their hearts to let Jesus come in. The ordinance of baptism which follows is an outward symbol of an inward change.
